Regiões do Exterior dos Equinos (I)

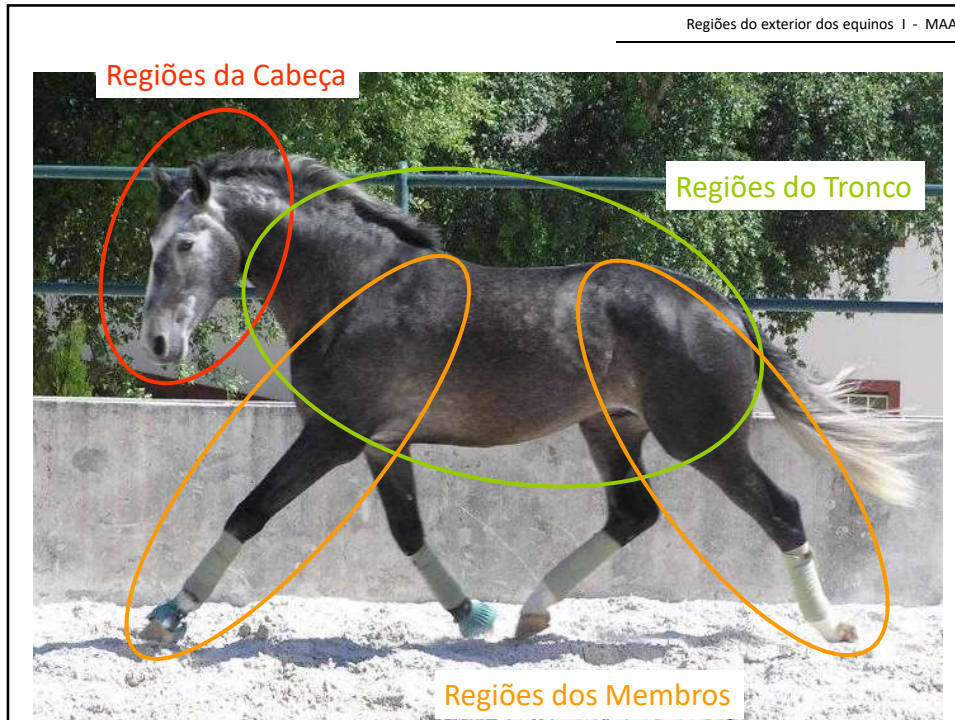

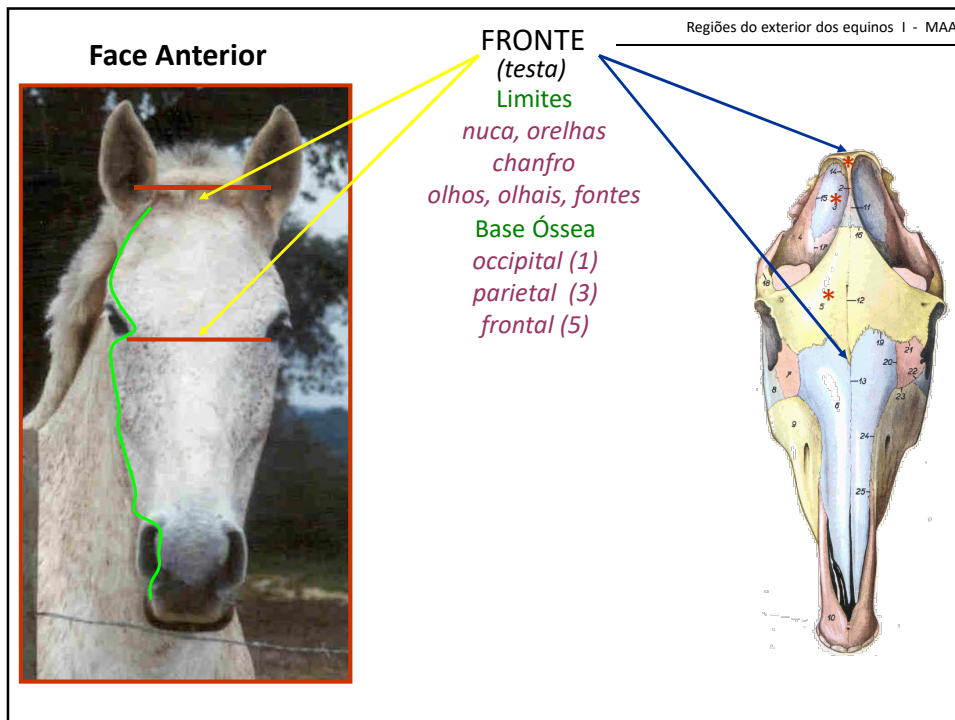

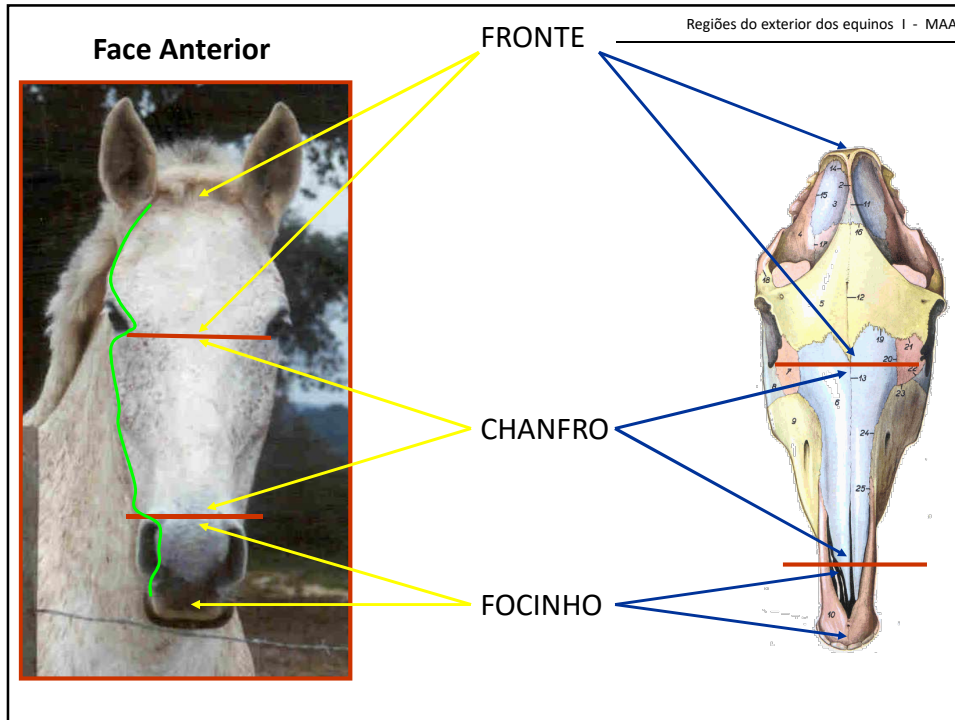

Morfologia e Aptidão Animal
2023/2024

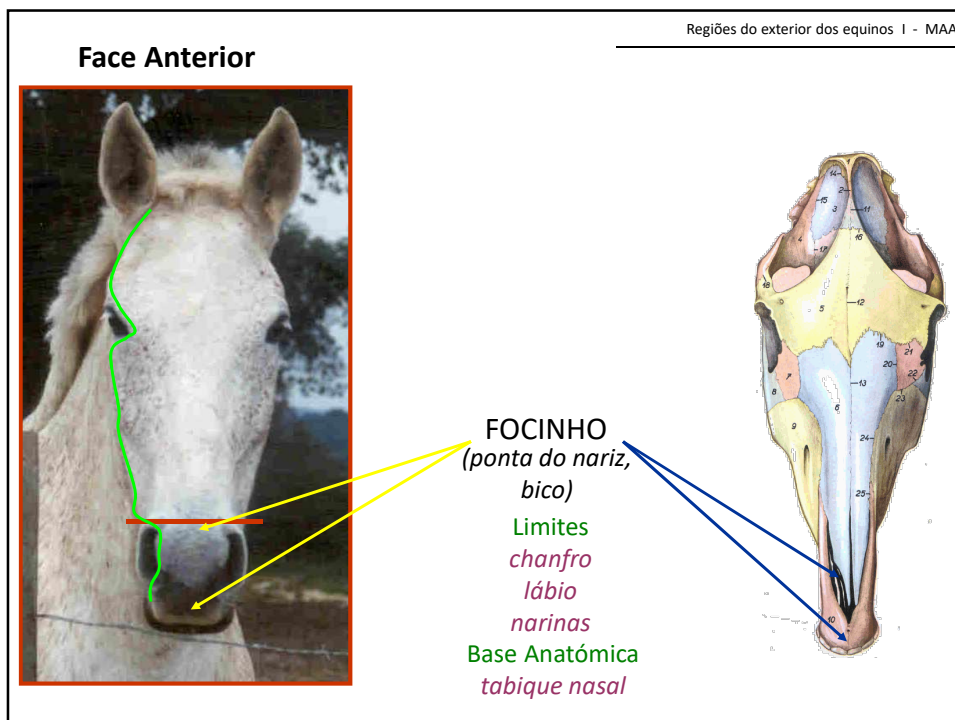

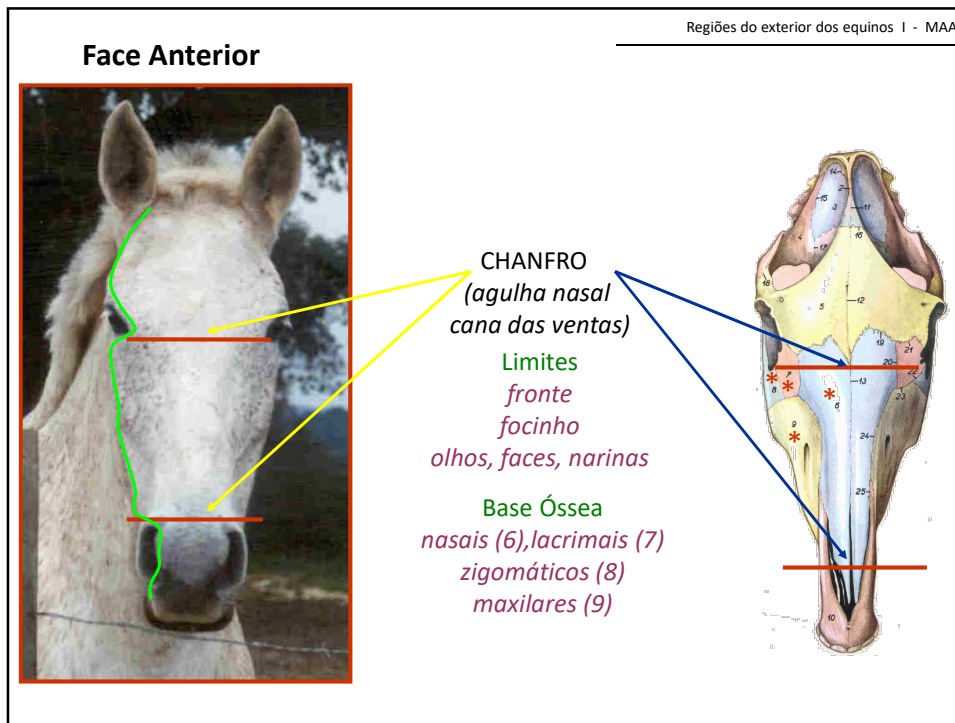

Regiões do exterior dos equinos I - MAA

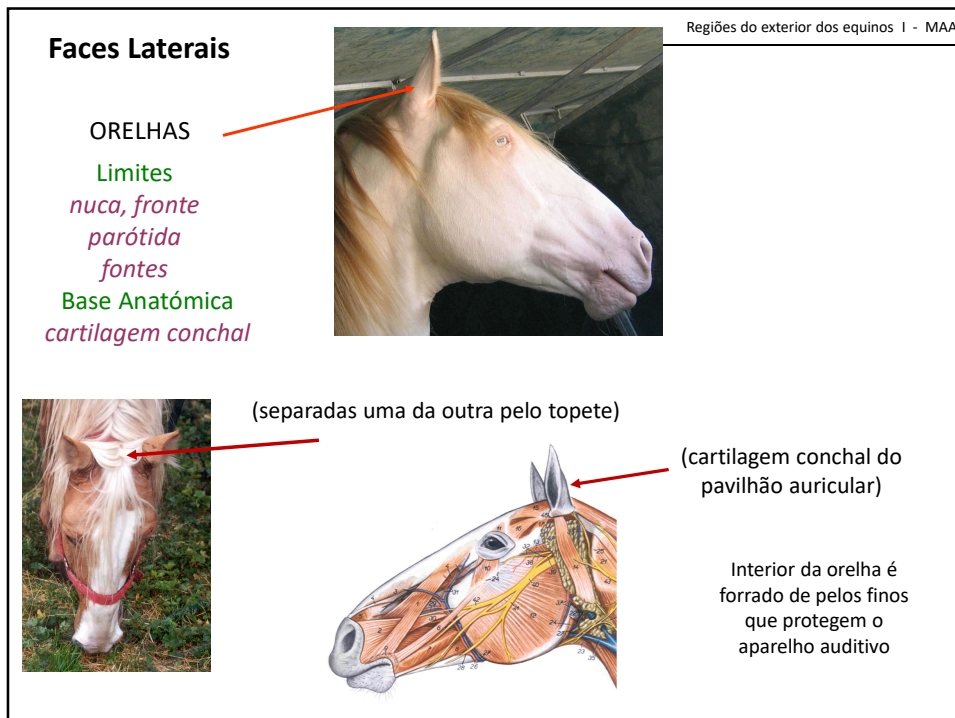

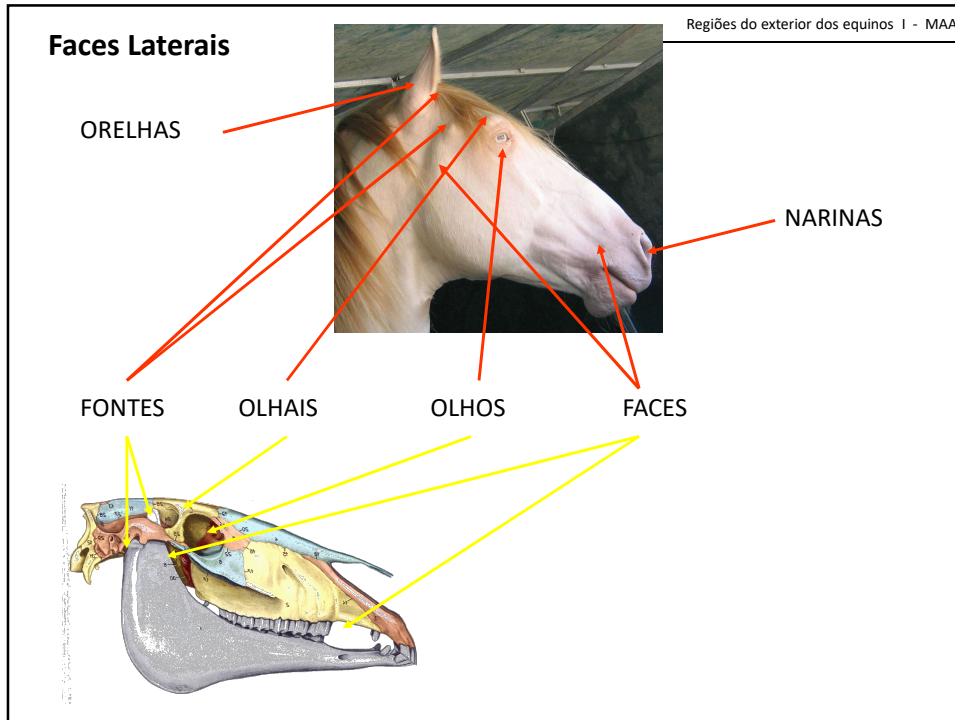

(Goody, 1995)

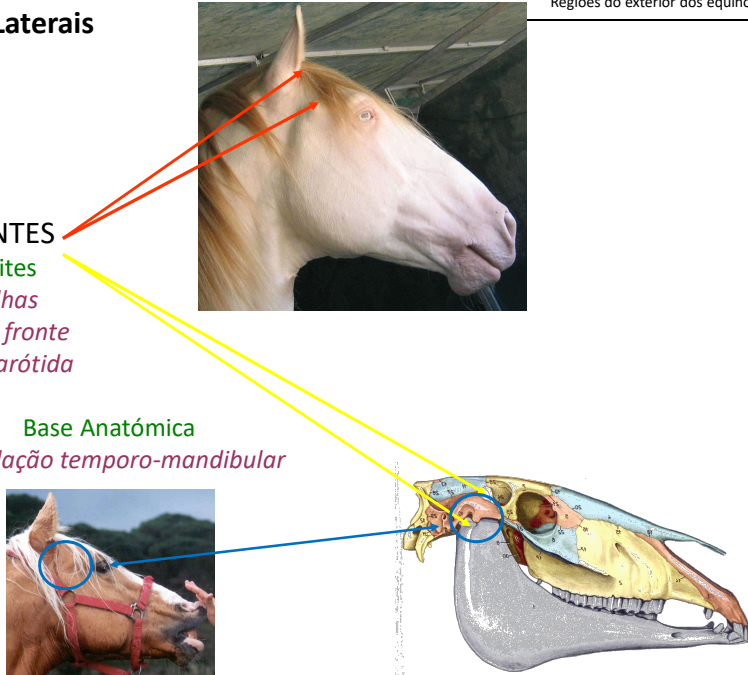

Regiões do exterior dos equinos I - MAA

Faces Laterais

FONTES

Limites
orelhas
olhais, fronte
face, parótida

Base Anatômica
articulação temporo-mandibular

Regiões do exterior dos equinos I - MAA

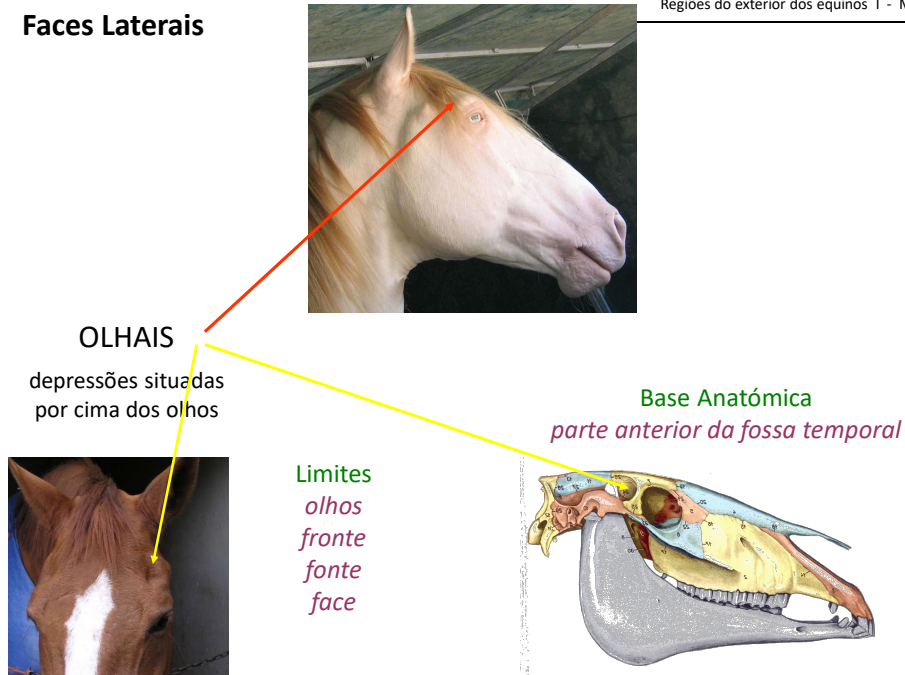

Faces Laterais

OLHAIS

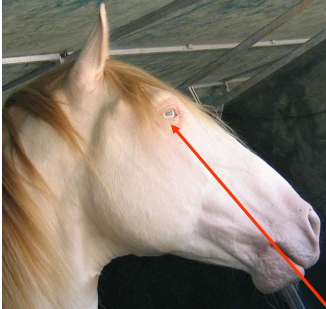

depressões situadas por cima dos olhos

Limites
olhos
fronete
fonte
face

Base Anatômica
parte anterior da fossa temporal

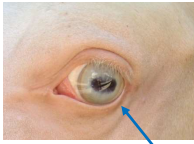

Faces Laterais Regiões do exterior dos equinos I - MAA

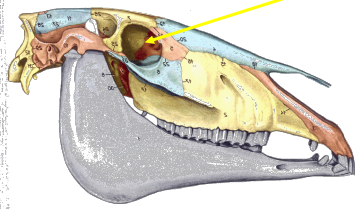

Limites
olhais
fronfe
chanfro
face

OLHOS

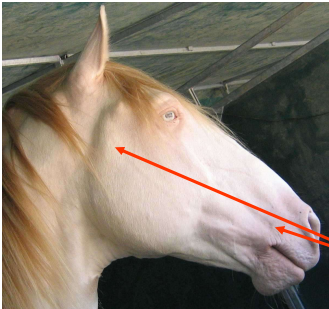

pupila/córnea
elípticas

Pálpebras (3):
Superior, inferior e lateral
(3ª/lateral - corpo, membrana nictitante)

Faces Laterais Regiões do exterior dos equinos I - MAA

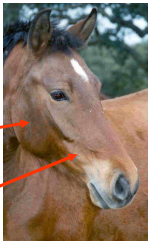

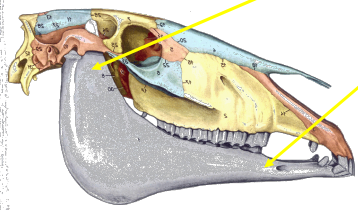

Limites
chanfro
olhos, olhais, fontes
parótidas
ganachas, boca

FACES

Base Óssea
maxilar
mandibular

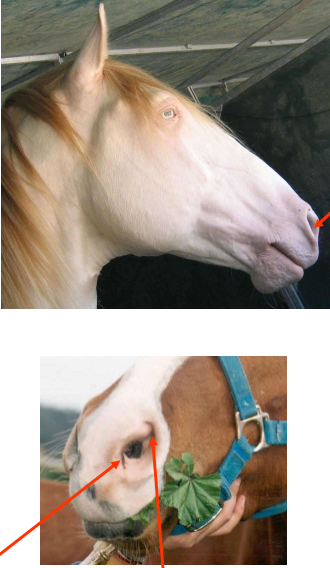

face superior
masséter

face inferior ou bolsa da face
bucinador

Faces Laterais

Regiões do exterior dos equinos I - MAA

NARINAS (ventas)

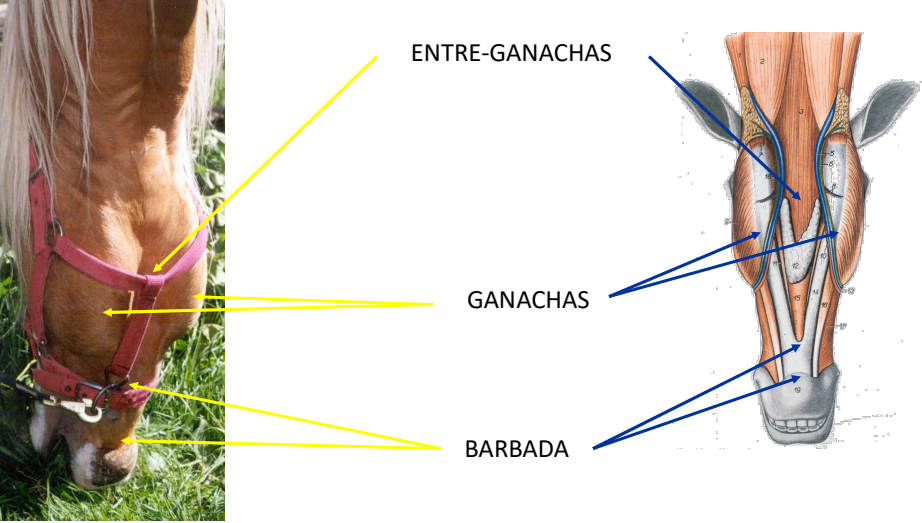

Limites
focinho
chanfro
lábio superior

goteira lacrimal

falsa narina

Face Posterior

Regiões do exterior dos equinos I - MAA

ENTRE-GANACHAS

GANACHAS

BARBADA

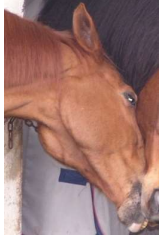

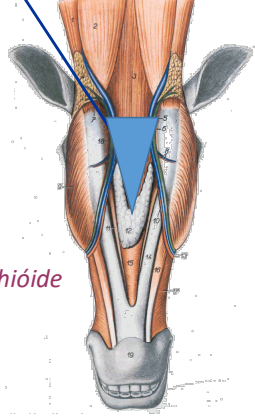

Regiões do exterior dos equinos I - MAA

Face Posterior

ENTRE-GANACHAS
(canal das ganachas)

Limites
goela
ganachas
barbada

Base Anatómica
milo-hioideus reunidos e o corpo do hióide
linfonodos

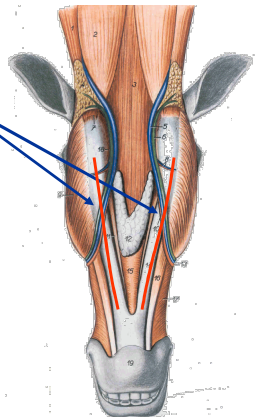

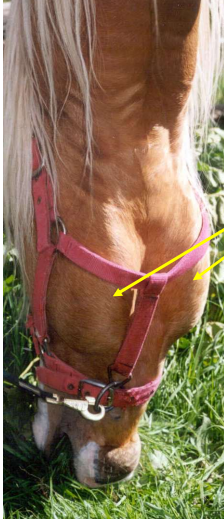

Regiões do exterior dos equinos I - MAA

Face Posterior

GANACHAS

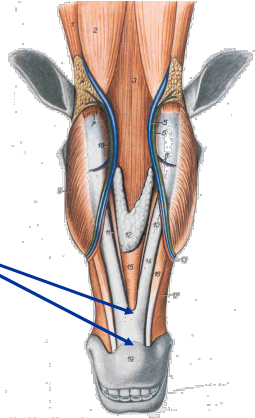

Limites
parótidas
entre-ganachas
faces
barbada

Base Óssea
ramos mandíbula

Regiões do exterior dos equinos I - MAA

Face Posterior

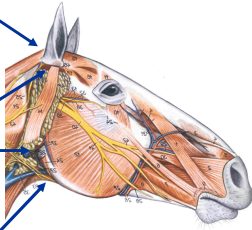

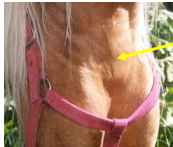

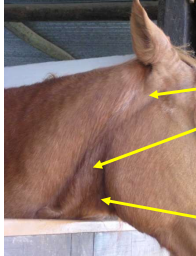

BARBADA
Limites
lábio inferior
ganachas, entre-ganachas

Base Óssea
reunião ramos mandíbula

Regiões do exterior dos equinos I - MAA

Extremidade Superior

NUCA

PARÓTIDA

GOELA

Regiões do exterior dos equinos I - MAA

Extremidade Superior

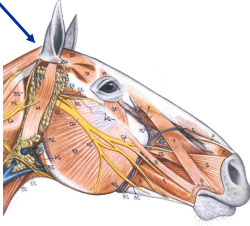

Topete

NUCA

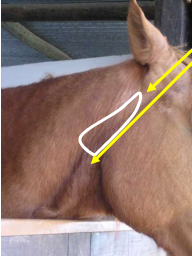

Limites
pescoço
fronete
orelhas, parótidas

Base Óssea
occipital
articulação atlanto-occipital

Regiões do exterior dos equinos I - MAA

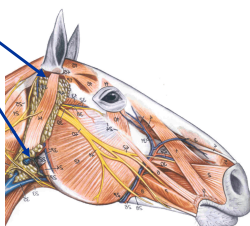

Extremidade Superior

PARÓTIDA

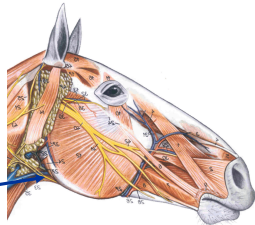

Limites
orelhas
goela
fontes, faces
pescoço

Base Anatômica
parótida

Regiões do exterior dos equinos I - MAA

Extremidade Superior

GOELA

Limites
pescoço
parótidas
ganachas, entre-ganachas

Base Anatómica
laringe
primeiros anéis da traqueia

Regiões do exterior dos equinos I - MAA

Extremidade Inferior

BOCA

Lábios (beijos)
Borla do mento

Lábio superior

Comissura labial

Borla do mento

Barbas ou bigodes (pêlos tácteis)

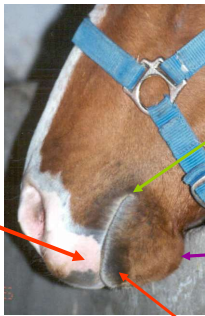

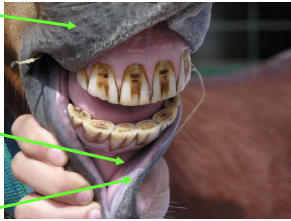

Lábio inferior

face externa

face interna

bordo livre

transição pele/mucosa

Regiões do exterior dos equinos I - MAA

Extremidade Inferior

BOCA

Língua
Dentes
Barras

Inserção freio língua

Porção fixa

Porção móvel

Barras ou diastemas

This block contains three images illustrating the equine lower jaw. The top image is a photograph of the oral cavity with red arrows pointing to the 'Porção fixa' (fixed part) and 'Porção móvel' (movable part) of the teeth, and a white arrow pointing to the 'Inserção freio língua' (tongue frenulum insertion). The bottom-left image is a photograph of the lower jaw with red arrows pointing to the 'Barras ou diastemas' (bars or diastemas). The bottom-right image is a photograph of a horse's lower jawbone with red arrows pointing to the 'Barras ou diastemas'.

Regiões do exterior dos equinos I - MAA

A cartoon illustration of a brown horse with a white mane and tail, smiling and showing its teeth. The horse is standing behind a wooden fence. The illustration is enclosed in a rounded rectangular frame.
